About This Webinar:

This webinar is another installment in the highly-acclaimed ongoing series of exempt organizations webinars periodically conducted by the Windes EO Tax Group. The Windes EO Tax Group is composed of Brian Yacker, Lauren Haverlock (who manages the tax side of all of our exempt organizations clients), and Janet Wang (who prepares all of the required tax and information returns for all of our exempt organizations clients).

For anyone that has experienced having to prepare the new Form 990, it will come as no surprise that the Internal Revenue Service is specifically focused upon the governance and reasonable compensation practices of exempt organizations. Ensuring good governance and reasonable compensation practices is made more urgent than in the past as a result of the fact that the Internal Revenue Service has recently added approximately 150 exempt organizations agents exclusively focused on undertaking audits of exempt organizations.

That all being said, this webinar will focus upon providing the exempt organization practitioner (CPA or attorney) and the exempt organization employee with valuable strategies, insight, and tools to help an exempt organization in best assuring good governance and reasonable compensation practices.

As always, as a special thank you, we would like to thank our repeat webinar attendees by offering \$20 off the regular cost of this webinar.

CPE Credits: 1.5 hours of CPE credit will be given to registered participants who attend the webinar, respond to the attendance monitoring questions, and complete and submit an evaluation form.

Materials:

- Copy of the PowerPoint presentation utilized by the presenters
- Sample governance policies / Sample procedures documents / Sample Schedule O disclosures
- Governance Check Sheet & Instructions
- Evaluation form for CPE credit

Materials Only: If you cannot attend this webinar, a copy of the PowerPoint presentation and all of the materials referenced above will be available for \$129 and will be sent to you after the webinar.

Future Windes EO Webinars: Please keep on the lookout for future Windes EO webinars regarding:
