## WINDES & MCCLAUGHRY PARTNER NAMED CHAIRPERSON

*Effective Immediately, Pei Pei Wang Becomes Chairperson of  
Orangewood PALS*

**LONG BEACH, CA – July 12, 2010** – Windes & McClaughry Accountancy Corporation, a leading Southern California accounting and consulting firm with 84 years in business, today announced that Pei Pei Wang will serve as Chairperson of Orangewood PALS.

“We are delighted that Pei Pei is leading an organization focused on helping Orange County children in need,” says John Di Carlo, managing partner of Windes & McClaughry. “Pei Pei’s efforts with Orangewood PALS over the past several years has made a tremendous difference in our communities.”

Orangewood PALS (Providing Assistance, Love, and Support) was established in 1996 with the goal of providing assistance, love, and support to Orange County’s children. Their goal is to make a positive impact on the issues of child abuse and neglect in Orange County and to show abused victims that they matter and provide them with unconditional love and support. Orangewood PALS achieves this goal by supporting Orangewood Children’s Foundation programs for current and former foster children and those placed at Orangewood Children’s Home. Their fund-raising efforts support

scholarships and mentoring programs, tours, field trips, and other fun activities for the children.

“It’s an honor for me to lead this organization, as I have a strong interest in helping children realize their dreams,” says Wang. “If we can offer encouragement and solid guidance and be good role models, we have gone a long way to building confidence in these children in order for them to succeed in life.”

Wang has been with the firm for 19 years and is a partner in the Audit and Assurances department. She has a bachelor of science in accounting from California State University, Long Beach. Wang is a member of the American Institute of Certified Public Accountants (AICPA) and the California Society of Certified Public Accountants (CALCPA).

In addition to Orangewood PALS, Wang serves on the board of the Long Beach Chamber of Commerce and is an audit committee member for the Tichenor Support Foundation.
